Archdruid Emeritus ADF
Ár nDraíocht Féin
(attending Gorsedd: Lughnasadh 2009)

The Gorsedd is now assuming unique significance with the presence of Isaac Bonewits, founder of America's largest Druid religious organization, Ár nDraíocht Féin (ADF), who is grounded in many pagan traditions: Gardnerian, Wicca, N.R.O.O.G.D, Neopagan and Mesopagan Druid orders, the Covenant of Unitarian Universalist Pagans, and Santeria. He is a valued Druid scholar who has published numerous books on Druidism, Witchcraft, Neopaganism, dualism, and polytheology. He is also very witty and a popular speaker and workshop presenter. At the Gorsedd, he will be assisting the House of Danu in our discussion of rites and rituals.
